PROGRAMS AND SERVICES

CRISIS HOTLINE Houston's premier 24-hour telephone crisis counseling and referral service provides crisis intervention, information and referrals as needed. National collaborators include 1-800-SUICIDE and 1-800-273-TALK.

YOUTH OUTREACH Programs include TeenLine, a 24-hour peer-to-peer hotline; TeenLink, an online, one-on-one chat room for teens to discuss problems anonymously; school-based education programs, focus on youth suicide prevention and bullying; and Youth Yellow Pages, an informal resource of Houston-area services for teens.

HISPANIC OUTREACH Spanish Hotline, a specialized hotline staffed by bilingual phone counselors helping people who best express themselves in Spanish.

CRISIS RESPONSE TEAM A team of trained professionals and volunteers who provide the clear thinking, support and expertise required to help community groups and businesses recover from a traumatic event.

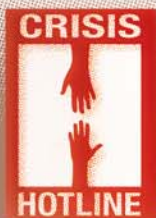

SURVIVORS OF SUICIDE (SOS) A self-help support group designed to help adult family members and friends of suicide victims at five locations in the Greater Houston area.

CRISIS TRAINING & EDUCATION Educational workshops and seminars presented to various groups to teach crisis intervention and suicide prevention techniques. Crisis Intervention of Houston also provides Applied Suicide Intervention Skills Training. This training teaches a concise face-to-face suicide intervention model.

COMMUNITY PARTNERSHIPS Crisis Intervention of Houston partners with more than two dozen agencies. We provide around-the-clock hotline services to HPD/911, FIRE/EMS, Harris County Sheriff Department, HISD, Mental Health Association, Coalition for the Homeless, La Rosa and Texas Southern University.

THE MISSION OF CRISIS INTERVENTION OF HOUSTON IS TO HELP PEOPLE IN CRISIS.

Our volunteer-based organization provides 24-hour telephone and web-based counseling, on-site crisis response services, crisis response training, suicide prevention and intervention services, support to those affected by suicide, links to community resources and community education.
